DO YOU WANT TO ADDRESS RACISM IN  
YOUR FAITH COMMUNITY, BUT YOU  
DON'T KNOW WHERE TO BEGIN?

## Faith & Racial Equity: *Exploring Power & Privilege*

Faith & Racial Equity: *Exploring Power & Privilege* is an 8-week module that awakens groups to the economic systems, public policies, cultural norms, and hidden biases that empower some and oppress others. The module introduces a framework for understanding how power and privilege influences racial disparities. As with all JustFaith programs, participants will explore how their faith should inform their response to what they are learning, as well as time to discern action steps for working toward racial equity in their community.
